

Dear MUN Directors,

Thank you all for participating in MADMUN. Below are the country and committee assignments for each of school. Furthermore, a preliminary itinerary is provided but it is subject to change. Students with the most experience and/or expertise should be placed in the Security Council. All delegates *MUST* arrive with an opening speech (no longer than 1 minute) and 2 resolutions (4-5 clauses each). The speech can either focus on one particular topic or generally address the major topics the delegate will address. In the coming weeks we hope to provide you with additional resources and background information on the topics. ***Please have students signed up to their appropriate committees and countries by 1 March on your school's spreadsheet.*** Our Board of Directors are working with great diligence to assure a successful conference and we look forward to seeing all of you in April. Please do not hesitate to send any questions, concerns, or changes.

Sincerely,

Iñaki Arrizabalaga
MADMUN 2018 Secretary General

Michael Stuart
ASM MUN Director
