Resolution and Speech Submissions

As part of the pre-conference preparation, we require delegates to begin their work by drafting speeches and resolutions. On the MADMUN website the delegates will be able to find submission portals at the bottom of their respective committee pages. There will be a link to a google drive folder where the delegates will be able to upload their documents. This is a great opportunity for the delegates to get feedback from their Chairs and the Head of Delegates.

The delegates will get personalized feedback for each of their submissions by email. This feedback will include: advice on structure and grammar, suggested edits of the content, and improvements for the future.

Here is what to submit:

- Opening speeches
    - Title: Name - Delegation Opening Speech
    - Please include email somewhere on the document to receive feedback, if no email is given, delegates will have to get in contact with the chairs directly to receive feedback
- 2 draft resolutions with at least 5 clauses each
    - Title: Name - Delegation Resolution 1/ Resolution 2
    - (Please include email somewhere on the document to receive feedback, if no email is given, delegates will have to get in contact with the chairs directly to receive feedback)

If the delegates need help with any part of the process, we encourage them to get in contact with their chairs, whose email addresses are on the committee pages. Additionally there are resources in the “Resource Center and Tutorials” section of the MADMUN website.

The portals will be open from February 1 through February 16th.
